1. eModal Community Portal

This guide will focus on two options within the eModal Community Portal, **Import Containers** for inquiry on status of an import container load, and **Booking Inquiry** for status of an export booking.

The image shows a screenshot of the eModal Community Portal menu. The menu is organized into three main sections: EModal, EModal Community Portal, and Trucks/Drivers. The 'IMPORT CONTAINERS' and 'BOOKING INQUIRY' options are circled in red.

2.1 Add to Watchlist

You can add to your Watchlist by clicking on the **Add to Watchlist** click and a window will appear for you to enter or paste your containers numbers

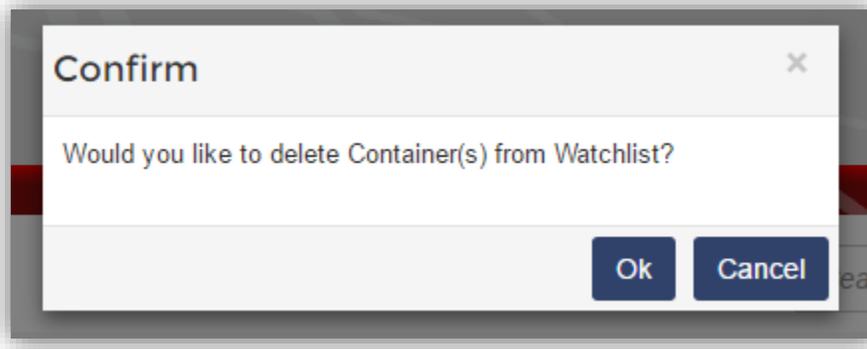

2.2 Removing containers from Watchlist

You can remove a container or containers from the Watchlist by selecting all on the top right, or individually selecting the container(s) you want, and clicking Remove. You can also remove an entry by simply clicking on the (X) at the far right of the container.

Whichever way you use to remove an entry, you will be asked to confirm that you want to remove the container(s)

Click Ok to confirm, or Cancel to exit out and not remove

2.3 PreGate Eligibility

The PreGate column will tell you if that container is:

N/A – this terminal is not a participating terminal in PreGate

Not Ready for PreGate – container is not available, or does not meet terminal criteria for being ready to make a PreGate

Add New PreGate – container is available to make a PreGate. Clicking on the green text will link you to the PreGate system (see user guide on how to create PreGate)

Provide a ticket number – this indicates that a PreGate was already made for that container. Clicking on the ticket number will bring up the ticket

<input type="checkbox"/>	TEMP1081939	ETSLAX-0624-00139	AVAILABLE		\$0.00	\$0.00

Click on the drop down icon next to the amount will bring a listing of what fees are due. You can also pay fees from here by clicking on Pay Now

Status	Holds	Fees Due
AVAILABLE	YES	\$0.00

Clicking on the drop down icon next to the Fees Paid amount will show the transaction history of previously paid amounts

2.5 How to Create PreGate

You can create a single PreGate by clicking on the green [Add New PreGate](#) or you can create multiple PreGates by clicking on each container that is ready for PreGate (Add New PreGate), and then click on PreGate on top of menu bar

The screenshot displays the 'Import Containers' interface. At the top, there is a red header with a 'Menu' icon and the text 'Menu'. Below the header, the title 'Import Containers' is centered. A horizontal menu bar contains four buttons: 'Add to Watchlist', 'Remove', 'PreGate', and 'Pay Fees'. The 'PreGate' button is highlighted with a red rectangular box. Below the menu bar is a table with the following columns: 'Container', 'PreGate', and 'Status'. The table contains ten rows of container data. The 'PreGate' column for the first two rows is 'Not Ready for PreGate', for the next two rows it is 'N/A', and for the last six rows it is 'Add New PreGate'. The 'Status' column shows 'NOT AVAILABLE' for the first four rows, 'UNKNOWN' for the fifth row, and 'AVAILABLE' for the last six rows. The 'Add New PreGate' buttons for the containers CAIU4143573 and TEMU6486472 are circled in red. At the bottom of the table, there is a pagination control showing '<<First <Prev Page 1 of 4 10 >Next >>Last>>'. The 'Page 1' and '10' are highlighted with a light gray background.

2.7 Sort

You can perform a sort by any column by clicking on the  icon next to each column title. This will ascend or descend the order as you click

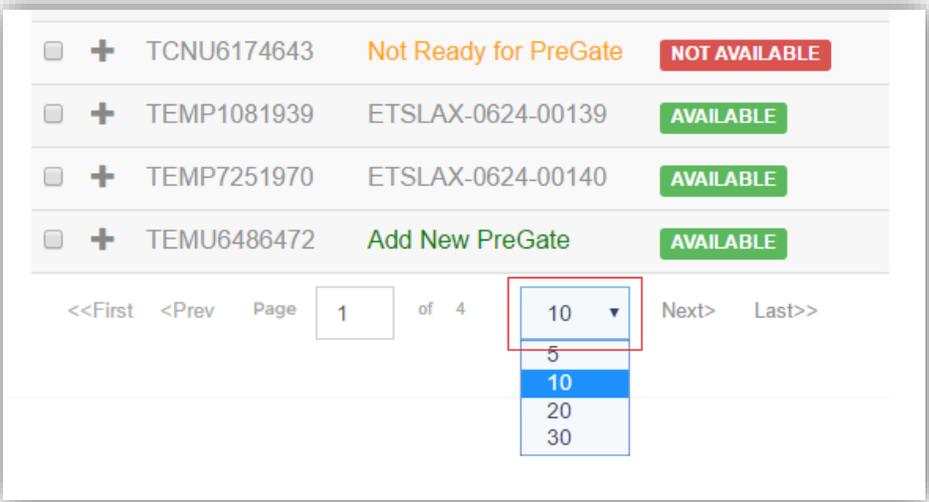

The screenshot shows a web interface titled "Import Containers" with a red header bar containing a "Menu" icon. Below the header are four buttons: "Add to Watchlist", "Remove", "PreGate", and "Pay Fees". The main content is a table with the following columns: "Container" (with a sort icon), "PreGate", "Status" (with a sort icon), "Holds" (with a sort icon), and "Fees Due" (with a sort icon). The table contains 11 rows of data. A red vertical box highlights the "Container" column header and the first column of data. At the bottom of the table is a pagination control showing "Page 1 of 4" and "10" items per page, with navigation buttons for "First", "Prev", "Next", and "Last".

<input type="checkbox"/>	+	TEMU6486472	Add New PreGate	AVAILABLE

Below the table is a pagination control showing "Page 1 of 4". To the right of the page number is a dropdown menu for items per page, currently set to 10. The dropdown menu is open, showing options 5, 10, 20, and 30. The value 10 is highlighted in blue.

3. Booking Inquiry

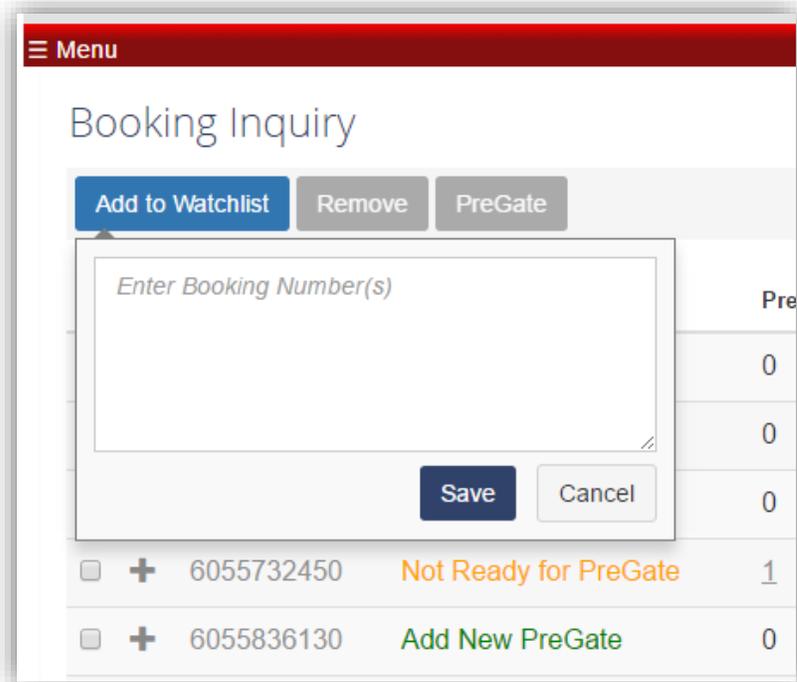

Upon entering Booking Inquiry, you will be displayed your current Watchlist view. These are all bookings that you have previously submitted to watch.

The screenshot shows the 'Booking Inquiry' interface. At the top, there is a 'Menu' button on the left and a 'Help' button on the right. Below the header, there is a search bar with a 'Search' input field, a magnifying glass icon, and a 'Clear Search' button. Below the search bar, there are three buttons: 'Add to Watchlist', 'Remove', and 'PreGate'. The main content is a table with the following columns: Booking, PreGate, PreGate Qty, Status, Terminal, Line, Vessel, Voyage, Date Added, and Remove. The table contains 10 rows of data. The first three rows have a status of 'NOT FOUND'. The remaining seven rows have a status of 'FOUND' or 'Not Ready for PreGate'. The 'Remove' column contains a trash icon for each row. At the bottom of the table, there is a pagination control showing 'Page 1 of 3' and a dropdown menu for '10' items per page. The text '<<First <Prev Page 1 of 3 10 Next> Last>>' is visible. In the bottom right corner, it says 'Total Count: 27'.
